Dear friends,

In 2019, Sakura-Kai Slovakia and KK Miyagi Lučenec organizing a third karate seminar led by Soke Yoshio Kuba.

This year, the following changes will be introduced:

- the seminar runs for two days
- the number of participants will be limited, the Sakura kai members have priority
- participation only after booking

I believe that the above changes will be positive and we will meet in Lučenec, Slovakia. Questions about accommodation, please contact KK Miyagi Lučenec:

sensei Rudi Penthor: penthor@pobox.sk

sensei Janči Gašperik: jangasperik@gmail.com

**The organizer reserves the right to change the program.
If you do not attend, the registration fee is not refunded!**

It will send you less information about the seminar. If there are any questions or something unclear, please do not hesitate to contact me.

Regards
